So, I think I may not continue to be employed with Linda.

What? Did something happen?

Yeah, it's pretty bad.

I genuinely don't know how it's going to play out/how I want it to play out.

If you made a mistake/stuffed up. Just be honest to her and COS so it can be fixed. I've made some huge fuck ups but owned them, said sorry etc

Can I call you? I realise you might be office so can't take call

So on Friday night how I ended up in the Ministerial office it didn't play out how I made out.

I don't remember getting there at all, vaguely remember Bruce being there and then I woke up in the morning half dressed by myself in the Ministers office on Saturday morning.

I've spoken with dad and he is flying down on Friday. Was pretty upset over the weekend so he's headed here to just hang out.

That's good he's coming down. Was it just you and Bruce who went back there or a group of people? Did you hook up in there or did someone take advantage of you?

Yeah, it was just Bruce and I from what I recall.

So he fucked you?

I hope you're ok. This is pretty
serious horrible stuff. You probably
need to report this.

up on the security report about it.

Bruce has been terminated early (he was leave post-budget for a department job apparently) She said I can come back in tomorrow but I'm considering just going home got the GC.

This is so heavy. I'm so sorry to hear

Sorry, I didn't mean to unload on you. Everything will be fine.

Don't be sorry at all, wish you told me sooner so I could have supported you

Sorry for upsetting you, didn't meant too. Just worried about you.

It's okay. You didn't mean too. I'm just a bit sensitive at the moment

Yeah I bet. Sorry for bringing it up. I
can't imagine what it's like.

If I can do anything to help you, let
me know.

Thanks Ben

The only thing I really want is for this
to not get out and become public
knowledge.

Besides my parents you're the only
person who knows (outside of Fiona
and whenever she takes it to the
Minister and apparently it has to be
reported to PMO).

I wouldn't dare tell a sole
