

## Beautiful Bega tree planting

THE second stage of planting of trees and shrubs at the Civic car park at Zingel Place, Bega, was carried out on Saturday by the Beautiful Bega committee and volunteers.

During the morning about 100 trees and shrubs were planted in ground already prepared by the Bega Valley Shire Council workers.

Callistemons (bottle brushes), hardenbergas, kangaroo paw, lavenders, nandinas and phoebes were among the species planted.

Chairperson of the Beautiful Bega committee, Mr John Matthews, said he was very pleased with the support given by the community, which included the service clubs (especially Rotary) and a number of children who came to help.

● Lynette Christian, Max Jones and Gwen Moffitt, were among the volunteers planting shrubs and trees at Zingel Place on Saturday.
