Get revved up for a good cause

WAGGA WAGGA Rod and Custom Club are appealing for people across the Riverina to get revved up for their spectacular 7th Annual Show and Shine at Hillis Motor Group next Sunday.

Enthusiasts from around Australia will be converging on Wagga with their Hot Rods, Customs, Classics and Street Machines and shining them up to put them on show.

And while the show promises to be a great day out for all the family, everyone who goes to the show will be supporting a great cause - all gate takings will be going directly to the Wagga-based charity Country Hope.

Country Hope is a country based, family centred support organisation for children diagnosed with cancer and other life threatening illnesses and they are dedicated to developing support programs and services that address the needs of the entire family.

The event will also be raising money to support the Big Springs NSW Rural Fire Service.

Wagga Wagga Rod and Custom Club

President Al White said previous Show and Shines had attracted as many as 4000 enthusiasts and he hopes that Sunday's event will set a new attendance record.

Mr White said there will be at least 100 vehicles on display.

There will be food stalls at the event and vendors can still apply for a spot - contact the committee to confirm availability and prices.

Pre entries closed on March 14 but late entries will be accepted at the discretion of the committee up until the day of the event.

The site will be open to entrants from 6.30am on the day of the event and gates will open to the public from 9am.

"We're putting on one of the Riverina's premium car shows for the seventh year and everyone who attends will not only have a great time but they will also be supporting a great cause in Country Hope," Mr White said.

"The show could not be possible without the support of many local businesses and this year the Hillis Motor Group in particular."
