

Head 2 Toes

Head 2 Toes' first birthday is a real celebration

HEAD2Toes (formerly Salon 212) has just celebrated our first birthday.

In the past 12 months, we have transformed our salon into a hub for hair, hats and beauty.

The salon has been updated and a beauty room has been built to accommodate our customers beauty needs including waxing, eyelash and brow tinting, spray tanning, shellac, manicures, pedicures, makeup, facials and soon we will be doing eyelash extensions.

Rachel Ryan (salon owner) holds a Diploma in Beauty therapy, along with being a qualified hairdresser for many years.

She also has spent nearly 10 years creating millinery for hundreds of race-goers and brides through her Scarlet Ribbons Millinery name.

Ever popular Andrew Woods is a Senior Hairdresser at the salon

from Tuesday to Fridays.

Trish Lawson and Rose Terry are our other senior stylists doing casual hours and Bryce Sim has almost completed her first year as an apprentice.

She has a flair for hairdressing and is building her own clientele already.

Our team are here to do a fantastic style on you but also to get you a great coffee or tea, help you relax and enjoy your time with us with professionalism and fun.

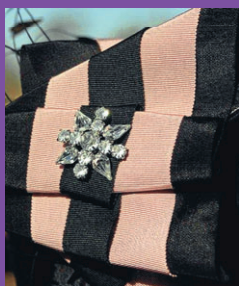

We also offer professional advice on hair and beauty products and have a range of products selected to suit our customers needs and budget.

Prices remain competitive without compromising quality of products and service.

We welcome new and old clients to Head2Toes Monday to Saturday.
