Winston's taking care of business

OWNERS of Narellan Pools Riverina, Steve and Libby Rowbotham would like to congratulate Winston Woods on reaching a turning point in his career and becoming Narellan Pools Riverina business partner.

The Rowbothams said they were extremely proud of Winston's progression throughout their business in the last seven years to become a partner at age 28.

"We are very excited for Winston, he is a fine example of what you want in a business partner," Steve said.

"He has a positive attitude, displays pride in workmanship and he is the consummate professional."

Winston has been in the Pool industry for nine years and employed by Narellan Pools Riverina for seven years.

NARELLAN POOLS RIVERINA

SPASA NSW and ACT POOL BUILDER OF THE YEAR

Local Pool builder makes a splash

Narellan Pools Managing Director Steve Rowbotham receives the SPASA NSW and ACT Pool Builder of the Year Award from Leon Coleman from Sunbather and Jason Hodges from Better Homes and Gardens.

NARELLAN Pools Riverina has once again been recognised for outstanding achievements in creativity, innovation and design excellence in Pools and Spas at the recent Swimming Pool and Spa Alliance (SPASA) Awards and the Narellan Pools Annual Gala Awards.

Managing Director Steve Rowbotham received the prestigious SPASA ACT and NSW Pool Builder of the Year and the Narellan Pools Riverina team also collected a string of other State and Regional awards.

Mr Rowbotham, who has been building pools throughout the Riverina, ACT, Southern NSW and Victoria since 1980,

said he was delighted to receive the prestigious accolade.

"This award is wonderful recognition for my Riverina and Canberra teams from the National industry body," he said.

"We are a little different, and this industry award is an endorsement of the way we do business."

Mr Rowbotham said the key to his teams' success was their commitment to customer service from the initial enquiry and site appraisal, right through the design and construction process.

"Narellan Pools Riverina and ACT takes the time to guide our customers through the conception and construction process step-by-step," Steve

said. "We pride ourselves on providing them with a proposal that has no hidden surprises."

"From pre-construction we kick-start transparent communication that sets both parties up for a seamless build process."

The Narellan Pools Riverina team of qualified staff with industry leading installation and customer service skills comprises new partner Winston Woods, Sales and Construction Site Supervisor Mark Dyer, administration staff Kerrie Whitehead, Cassie McKinney and Tayt Lane, Service Technician Paul Prowse and construction specialist Maca O'Malley.

Congratulation Steve & Libby on your recognition at the Narellan Pools Awards night.
