## Discover everything Junee has

THE annual Qube Rhythm 'n' Rail Festival is a great way to discover everything Junee has to offer.

Jump on one of the beautifully restored steam and historic trains for a trip down memory lane.

Take in the vintage car and Motor bike displays.

Enjoy the fabulous live music scene.

Have a taste of the Bush Poets' Breakfast. Indulge in the Licorice world record attempt. So much more!

The festival hub will once again be Memorial Park and Railway Square in the CBD of Junee, with the GEO main stage providing live entertainment all day Saturday and Sunday.

This year the main stage acts include local favourites Carly and Me, Riding in Circles and Nathan Lamont, along with Bitter Shoosh and Monster Guitars.

Along with the main stage musos of all skill levels and styles are being encouraged to bring along their instruments and their voice and join in some jamming at the Commins Hendriks Rhythm n Rhyme.

This will be held in the Athenium Theatre from 10m - 4pm on both days and is open to everyone.

Those looking to take a step back in time are encouraged to visit the Living Museum at Broadway Museum, try their hand at the Rail Navvies Challenge and take a journey on the 3265 steam train.

Kids will be entertained all weekend, with Chocolate World at the Junee Licorice factory, mini train rides throughout town, kids' activities and crafts in memorial park and plenty of room to run and have fun.

On Saturday from 11am-12:30pm the Junee Licorice and Chocolate Factory requires at least 520 helpers to assist them in winning back their record for the longest piece of licorice, which has recently been claimed by Swedish company Latritsfabriken.
