ROYAL GARDEN RESTAURANT RELOCATION

Top restaurant at a new venue

THE award-winning Royal Garden Restaurant is now located on Fitzmaurice Street, next to KFC.

Formerly located above Kennedy's Pharmacy on Baylis Street, Royal Garden has moved into new, lavish premises which give customers easier access.

There is more, easily accessible car parking and, not being upstairs, makes it easier for families and the elderly to dine in.

Despite the extra room, the Royal Garden is keeping its very affordable menu the same – the prices have not gone up.

The fully licensed venue has also adopted some new additions to make your dining experience even better.

On Saturdays and Sundays, between 11am and 2.30pm, a tapas menu is available.

"We've still got the same great food and excellent service," the Royal Garden Restaurant's Andy Chan said.

Open seven days a week for lunch and dinner, the restaurant's opening hours are from 11am to 2.30pm and from 5pm to 10pm.

For five successive years, the Royal Garden has won Restaurant and Catering awards for excellence.

174 Fitzmaurice Street**

THE Royal Garden Restaurant employs 15 staff, including six chefs, who prepare quality food for lunch and dinner seven days a week.

The new venue, near KFC and behind the Forum6 Cinemas and tenpin bowling alley, was only constructed in recent years.

The modern, relaxing restaurant on Fitzmaurice Street, Wagga, is available for functions or parties.

It could even be used for conferences.

"The new venue is more comfortable than our old

restaurant," Andy Chan said.

"We kept the same menu, with the addition of the tapas bar on Saturdays and Sundays, to ensure our loyal customers can continue to enjoy our great value quality food. "Nothing's changed in that regard."

The Royal Garden has been in operation for nearly 10 years.

The Royal Garden would like to thank its loyal customers who continue to dine regularly and also to the businesses who supported them in this advertising feature.
