 2nd: 1 year Xceler8 membership
 3rd: \$500 Gift Voucher at Masters
 4th: Dinner for two at the Oakroom

Thanks to the parents

DECADES of research show that when parents are involved in school, children have higher grades, better school attendance, increased motivation, better self-esteem and fewer instances of violent behaviour. A school with an active, enthusiastic and energetic parent body adds to the vision that leads to continued transformation within the school. Thanks to Sacred Heart P & F, our school's learning culture, built on collaboration, thinking and empowerment of all is rich and exciting. Who could have thought a FETE could help build all that?
Helen Bowyer
 School Principal

Plenty of 'fun' in fundraising

THE Sacred Heart Primary School Fete is a fantastic evening for everyone held every two years which promises to put the "fun" in to fundraising!

Come and have some fun and relax while the kids enjoy amusement rides, jumping castles and giant slides.

Enjoy a cuddle or feed a baby animal from Old Kentucky Farm.

It wouldn't be a fete without show bags, lollies, lucky dips and a dunking machine.

Want to trick a friend? Then have a plaster cast applied to your arm!

Face painting, hair ribbons/coloured hair, nail art are always fun for the kids.

Create some personal works of art with Sand Art before you go into the Royal Show

where you will see some real artistic flair!

Hungry? You won't be able to walk past the canteen with the aroma from our International Food Stall.

Sausage and steak sandwiches will also be available.

The garden stall will have a horticulturist from Masters to offer free expert gardening advice.

Grab a coffee, a tasting plate from our cake stall and enjoy our cafe amongst the newly established gardens.

Sit in amongst the action and be entertained by Street Slamin Hip Hop Dance Academy, or wait for your number to be called from our Chocolate Wheel where FANTASTIC prizes will be won.
