NEW LOCATION

New location, the same service

THE new SignsPlus Graphics premises at 6 Mortimer Place is three times the size of its old location.

Owner Dan Seddon who started SignsPlus Graphics in 1999, says the move will allow the business to continue to expand.

With extra capacity for printing rooms and to house other equipment and displays, the new premises will allow SignsPlus Graphics.

"The new place is three times bigger and it's a lot more up to date," Dan said.

"We have new printer rooms and purpose-built areas.

"The move to 6 Mortimer Place will allow us to continue to expand our business and offer great service to our clients."

While SignsPlus offers a range of services (see other pages), Dan says the backbone of the business has been vehicle and shopfront signage.

To find out more about SignsPlus Graphics, check out the website at www.signsplusgraphics.com.au, call them on 6925 2200 or email signplus@bigpond.net.au.
