GUNDAGAI'S Snake Gully Cup Carnival is about to be off and racing for another big year. The festival will kick off away from the track on Thursday night with the drawing of the Snake Gully Cup Calcutta at Gundagai District Services Club from 7.30pm. One of the most popular race meetings in country NSW, the running of the cup on Friday, November 15 has emerged as the premier race of the spring in the southern districts of NSW. The carnival will continue the next day with the Hair of the Dog Day – an event which is becoming

another classic of country racing. With two full race days, the popular fashions on the field, family fun and top sponsors makes the Snake Gully Cup Carnival a great time to come and visit and enjoy the good country hospitality that Gundagai has to offer. The gates will open at 11am on Friday and there will be a courtesy bus to and from the track throughout the day. Enjoy the ultimate racing experience with the Snake Gully Cup Marquee. With premium catering and big screens to catch all the action, you can enjoy the

occasion mixed with all the colour, glamour and excitement that a day at the races provides. While for some Snake Gully Cup Day is all about horses and picking a winner ... for others the day is all about fashion, hats and glamour. For your chance to share in almost \$3000 worth of prizes at this year's Snake Gully Cup Fashions-on-the-Field Competition, enter at registration table just inside the main gates. **All details about the Snake Gully Cup Carnival can be found at the event's website at: www.snakegullycup.com.au**
