Child 5-16 \$5
Child under 4 Free

The Rock Show's back bigger and better than ever for a 67th year

THE Rock Show may be celebrating its 67th year but the line-up for the 2013 event proves there's still plenty of life in the old girl.

This year sees the return of the ever-popular Baby Animal Nursery and the Baby Show.

The Rock's biggest event of the year will be opened by the federal Member for Farrer, the Honourable Sussan Ley MP, at 11am.

A highlight of the show will be the announcement of the Miss Junior Show Girls and Master Show Boys at 12.30pm.

Ring events will be contested through the day in the main arena, including show jumping.

Rock residents will also be presenting a

display of items and photographs to highlight the town's rich history.

Throughout the day there will be a championship all breeds dog show.

Volunteers from The Rock State Emergency Service (SES) and Rural Fire Service (RFS) will have some of their vehicles and equipment on display.

Local music students will be busking at various locations throughout the showground throughout the day - so be sure to bring plenty of spare change!

Naturally there will be plenty of fun for all the family with a host of showbags on sale and the excitement of sideshow alley.

RIGHT: Miss Junior Showgirl 14-17 for 2012, Ashlee Jolliffe (right) with runner up Sian Jansen.

FAR RIGHT: Trevor Windle from The Rock with the his 2012 "Champion water fowl of show - duck".

BELOW: Garry O'Connor and his daughter Georgia take a dodgem car for a spin in The Rock Show's sideshow alley last year.

Entries open for aspiring bush artists

HIGHLIGHTS of The Rock Show for 2013 will be the art and craft entries in the pavilions. This year will see the return to The Rock of perhaps the quirkiest art competitions of the Riverina show circuit - decorated wheel barrows, eskies and gumboots.

The esky prize has five categories - Town Eskey, Rural Esky, Oldest and Most Loyal Esky and the Esky with the Most and Varied Stickers. To enter, phone 0428 566 902 or 6920 2187.

ABOVE: Mel Mitchell with his Ford Galaxie 500 at last year's show.

RIGHT: Lucy Bennett won first prize in the "Four small decorated cakes" section of the 2012 show.
