WAGGA WEDDING EXHIBITION

Exhibitors have all you need for your big day

WAGGA is holding its biggest wedding exhibition ever and we are lucky enough to be involved.

Many of the clients attending the exhibition are quality providers of wedding accessories, dresses and everything you need for your special day.

An issue of *The Wagga Way* will be inserted in the showbags on the day so make sure you get your free copy.

Exhibitors have the opportunity to present their services to hundreds of people on the day which will run from 10am till 3pm on Sunday, August 25.

Local organisers Samantha Mulkurti of *The Wagga Way Magazine* and colleague Bianca Kerin were delighted with the attendance of the previous show and have already booked in 56 clients for the 2013 August show ensuring all visitors get a

great variety on the day.

The exhibition, which is being held at the Wagga RSL Club, will include male and female fashion shows offering people the opportunity to see wedding dresses being worn by local models and enabling

any potential brides the chance to discuss requirements with the dress companies attending.

The show will cover all aspects of the wedding day and exhibitors include cake companies, photographers,

photobooths, lollie shops, florists, gift ideas, beauty and hair services including dentistry and cosmetic surgery, fashion stores, dress makers, DJ's, jewellers, venues, transport including wedding cars and a 10ft limousine are all on offer.

The venue will be beautifully decorated by Exclusive Celebrations to add to the ambiance on the day.

The last wedding show saw some lucky raffle winners with over \$2000 of prizes given out on the day and we expect even more goodies to be on offer this year.

The organisers have some great testimonials from clients, many of whom took multiple bookings and have had excellent feedback from the visitors so lookout for the August show as it should only grow from now on.
