

63RD Annual Goulburn Lilac City Festival

God gave us the gift of the Lilacs
with colours of rainbow hues,
The fragrance of the Lilacs
As soft as morning dew
The mauve so sweet & dainty,
The purple deep & true,
The white so pure & tender,
Like God's own love for you.

We all love the Lilacs
And cherish them with care,
We thank God for the beauty of nature,
in our every prayer.
And those who love the Lilacs,
Could hope to understand,
That the beautiful gift of the Lilacs,
Is the work of the Master's hand.

Mrs Ruby Wicks, Goulburn

The Lilac City Festival is Goulburn's welcome to Spring

Goulburn is Australia's first inland city, the last city in the British Empire to be proclaimed by Queen Victoria.

Belmore Park has the carnival and the fun of the fair atmosphere and is surrounded by many beautiful old buildings.

Goulburn was proclaimed the Lilac City by the then Mayor of Goulburn, Ald J B Mullen in 1952. This is Goulburn's only family orientated festival catering for all ages. Boasting 63 years, it is the longest continuous running festival in Australia. We hope you will enjoy the Festival this year and tell your friends.

Everything in this brochure was true and correct at the time of printing. Details on additional events are available through the Lilac City Festival Office, 4821 1839, or the Goulburn Visitors Centre.
