

Expert advice from Heffernan Seeds

NOW is the time to start preparing to sow lawn seed.

Brian Wilson of Heffernan Seeds has been in the seed business for 40 years.

He is joined in the business by his family, including son Stuart Wilson.

With so much experience, Brian has been able to try several lawn seeds to come up with a combination of seeds that best suits Goulburn and surrounding districts.

Heffernan Seeds has several varieties that cater for many areas. These include:

* Playground Mix -

This is a coarse lawn and can be sown in shady areas. Best sown during beginning of spring or autumn.

* Goulburn Blend -

Will provide a fine lawn.

* Goulburn

Strawberry Blend - This will also provide a fine lawn, with a clover that adds nitrogen to your soil and helps up pH levels.

* Canberra Blend -

This is a much finer lawn again and is suitable for low traffic area.

Brian said the most popular and suited lawn seed sold for the Goulburn area is Goulburn/Playground mix – which is a combination of the two lawn mixes.

“With the two com-

Heffernan Seeds have several lawn seed varieties to suit your application.

When you are combined you will get a fine lawn but with strength that the coarse lawn adds to it,” he said.

“It’s suitable for traffic and has been proven very successful in this area.

“But in saying all that, due to our everlasting weather conditions all lawn mixes will only be successful if you can water them regularly. We can also cater for large areas such as ovals, cricket pitches, croquet, lawn bowls, race tracks and all sports fields.”

For all your lawn seed needs, call or visit the staff at Heffernan Seeds, 1-3 O’Sullivan Place, Bradfordville, Goulburn, Phone 4822 7528.
