

Signs are good for Mitchell

TARALGA local Mitchell Croke (pictured) also took out gold at the WSA Challenge in the signage competition.

Currently in his third year apprenticeship with ACT-based Signs Letters 'n Lines, Mitchell is the second son in the family to win big at the challenge - his brother Nigel secured an international bronze for Bricklaying in Calgary, 2009.

"He has progressed extremely well since beginning here... We are all extremely proud of him and very happy for him," owner Jon Loiterton said.

Luke's golden skills

By **BRITTANY MURPHY**

GOULBURN apprentice Luke Wray has won gold at the WorldSkills Australia (WSA) National Challenge and now has the opportunity to compete internationally.

The 19-year-old fourth year apprentice with local wall and floor tiling business Swift Tiling Pty Ltd travelled to Homebush for the three-day event which started on August 30, alongside

500 of the country's best apprentices, trainees and students across 50 skilled professions.

Swift Tiling has played host to 10 local apprentices during its operation, and has competed in WSA competitions over the last 10 years, seeing success with a fourth, two bronze medals and now gold.

"It was such a proud moment," said co-owner of the business, Narelle Swift.

"We are all hoping to head off to Germany next year to watch

him compete."

If successful at the national competition, competitors become eligible to advance to the WorldSkills International Competition as a representative of Australia and a member of the 2013 Team Australia Skillarooms.

Founded in 1981, WSA is the nation's largest and most prestigious skill-based competition.

The official announcement for the Australian Skillaroom representatives takes place in November.
