IN what promises to be a great local derby, the Harden Hawks will go up against the leaders of the George Tooke Shield competition, the Binalong Brahmans this Saturday.

Harden came second in the competition this year and are looking for a strong performance in the semi final as a win will put them straight into the grand final.

The loser of Saturday's match will play the winner of the match between the third placed Gordon Highlanders and fourth placed Yass Magpies, which is also being played on Saturday at Binalong.

The Harden Binalong match will start at 2.30pm, following the Highlanders Yass match, which starts at 1pm.

Hawks captain coach Jason Pollard said this week that the club has had a successful year this year.

Harden has played Binalong twice this, losing both matches, 34/4 and 18/0 and so are going into the game as underdogs.

Jason said given this Saturday's match was not going to be easy as Binalong has

not been beaten this season.

He acknowledged that the Hawks 128/0 win over Boorowa was not a good lead up match for the semis.

He said that the Hawks centre James Smith was under an injury cloud for the match, but hoped he would be fit to play.

He also said he was looking to good games from hooker Daniel Drew and lock Luke Brown.

The Hawks have a mixture of youth and experience in the team with 17-year-old try-scoring machine Riley Manwaring and veteran forward Tim Davis.

Harden last won the grand final in 2009 when they beat Bungendore in extra time.

Jason said he would like to thank the players for their commitment to the side throughout the season as many of them had to travel from Canberra to train and play.

He also said he wanted to thank the Harden Murrumburrah community, supporters and sponsors for their support throughout the year.

Harden Hawks captain coach Jason Pollard is looking to another premiership this year after being the captain coach when the Hawks last won the title in 2009.
