## Cleaning out unwanted items

SPRING clean ups always generate a lot of unwanted items. The perfect solution to shedding that junk is to hire a skip bin from Wattle Town Skip Bins.

The friendly reliable staff will drop a skip bin at your location and come back and pick it up when you're ready.

They take it to the tip and the cost of hire and disposal are all included.

Bins vary in size depending on your requirements and prices are very competitive.

Whether it's a big clean up, or just a small one there's a bin to suit.

Give Paul and his team a call to discuss your bin requirements on 6942 3876.
