## ST GREGORY'S PRIMARY SCHOOL

St Gregory's is a Catholic Primary School consisting of two campuses, catering to all children in Queanbeyan. The campus at MacQuoid Street caters for boys and girls from Kindergarten to Year 6. The Lowe Street campus caters for boys and girls from Kindergarten to Year 2. St Gregory's accepts children from Catholic and other faith backgrounds. At St Gregory's it is our aim to create a sense of belonging, which nurtures the children's growth and helps create the healthy self-esteem which is so necessary for learning. We welcome the parent's involvement in their child's education through participation in celebrations, information meetings, parent inservices, excursions, and sports carnivals, as well as through classroom assistance in a variety of areas.

The St Gregory's School Curriculum can be truly described as "child-centred" with a strong emphasis on academic progress and catering for the physical, social and emotional needs of our students. Our Key Learning Area and Integrated curriculum policies are designed to nurture the individual gifts and talents of students. Each class has a well-structured and comprehensive literacy programme. The overall school curriculum allows for the education in faith of students in the Catholic Tradition.

Enrolment period for 2015 is from 5-23 May, 2014. Open Day will be held Monday 12 May, 2014.
