

Vincentia High School Celebrating 21 Years

School's humble beginnings

AS part of the Vincentia High School's birthday celebrations, the school's top 21 achievements were announced.

The achievements were from all areas, including academic, the arts and sport.

Friday's South Coast Register will feature more Vincentia High School stories, including the full list of the top 21 achievements.

Principal highlights achievements

IT was a proud principal of Vincentia High School, Steve Glenday, who took in the school's 21 birthday celebrations yesterday.

He took the chance to pass on the following message.

"As a person enters their 21 year celebrations they reflect on what this means. It's a time of growing up into maturity and responsibility.

"Vincentia High is a place with students accepting the challenges of life.

"We have produced outstanding results in academic, sporting and cultural pursuits, with Australian representation and huge representations of students succeeding in academia and work, especially the armed services.

"We are grateful for the pride and support the community gives to Vincentia High.

"This supports allows us to run 42 different programs to enhance student outcomes.

"We run the only Indigenous

Rangers program in NSW which has been a great success.

"Our leaving year 12 has achieved awesome results with a record number of early entries to universities and students in the Intech and Art Express programs.

"This exemplifies the wonderful commitment our staff make to our students, a real partnership that will grow even stronger in the future."

Steve Glenday

PIECE OF HISTORY: Parents and Citizens President Annette Bevan and Principal Steve Glenday cut the birthday cake.

Praise for the great volunteers

ONE of the consistent themes at Vincentia High for the past 21 years has been a wonderful and hardworking Parent and Citizens Association.

Known as the P&C, these great volunteers strive to assist the students in any way they can.

Annette Bevan is the current P&C president.

"Being P&C president for the past three years has been a fantastic personal experience," she said.

"It is a great opportunity for me to give back to our school and to say thanks for the hard work and dedication of all the staff and principal, Steve

Glenday, at Vincentia High School.

"Our P&C committee consists of a fantastic group of people who continue to contribute their individual expertise, resulting in a strong and active P&C.

"Our committee and I would like to congratulate all staff, past and present, who over the last 21 years have created a great school that will continue to provide a caring, friendly and engaging learning environment.

"Happy 21s birthday Vincentia High School!"

The Hon
Shelley Hancock MP
Member for South Coast
Speaker of the NSW Legislative Assembly

"Please come in and see me -
It will be a pleasure to help"
