COOMA CORRECTIONAL CENTRE, VALE ST, COOMA, NSW,

For 2 years Police at Lower Hunter have been investigating allegations that Catholic Priest POI 2 had sexually abused a number of young boys. Two victims have indicated their intention to pursue the matters at court whilst the third wishes only to give evidence.

During investigations Police became aware that Priest POI 3 was committing similar offences against young boys at the same time POI 2 in a neighbouring parish. POI 3 has been convicted of sexual assaults against more than 30 young boys which occurred in overlapping periods as those connected with POI 2. Many of the alleged victims of both priests were altar boys at the times of the offences.

POI 3 has been convicted & is serving a substantive gaol sentence. POI2 is awaiting trial on 22/11/04. Throughout the investigation of POI 2 members of the local clergy impeded police investigations. The local Bishop & other priests advised POI 2 of information not available to him at that time. Police felt many of the priests were reluctant to assist with inquiries & their memories failed in relation to significant events & conversations. During these inquiries Police were advised that a pornographic video of male to male (homosexual) sexual intercourse was allegedly found by POI 2 in the presbytery at

Lochinvar. Police interviewed another priest who had occupied that presbytery earlier & he became upset & admitted to police he owned that video & being a close friend of POI 2 was given back the video which he had since destroyed.

Redacted at Commissioner's Direction

In view of all the circumstances surrounding these persons & their offences, the similarity of victim's ages, location of crimes & time frames there is concern that there may be a paedophile network within the Catholic Church & other clergy members are assisting to conceal this. Police have notified the Ombudsman's office of concerns.
