I have since been sent an E Mail from Suzanne with an On-Line comment on the ABC website from a **AC** with respect to last Friday's Late Line. Suzanne was going to speak to her about getting in contact with me. Such an unusual christian name I would assume is the same person. Just thought I'd better let you know so the right hand knows what the left is doing.

Can you impress upon her that I am hoping to match her to 1 of 8 anonymous McAlinden victims I have become aware of in the past week that the church knew about. I am really interested in her dealings within the church more than the offence itself, if that makes it easier for her to talk with me.

I am also trying to get in touch with another one who recently moved to the USA. She may really have a lot on the church's handling of her matter, but I have people trying to persuade her to speak with me - at present she is reluctant - angry with the church and trying to put it behind her - it's hard but I'll keep pushing.

Can I ask for assistance with the following:

Do you have any good contacts at Broken Rites? I may need someone there to assist with an inquiry - someone I can trust and keep confidence.

Do you have a contact for the school principal at Merriwa. I'd like to get a statement from him regarding his discussions. If I am going to put a submission together I need to get a few statements to support it.

I have a afternoon/evening next week which I am hoping provides a big assistance. I will need to speak to you regarding what I am going to do with some information I am receiving and stories you are working on so we don't conflict. Can you give me a call today to discuss.

Subject RE: Response from Bishop Malone

Hi Peter,

Do you mind if I contact her first? She is the kind of person who would be upset if I just forwarded her number to you, even though you are a police officer. I have no doubt she will talk to you but I don't want to get her offside because I've not respected her right to say yes. I'll try her number now and send it on as soon as I speak to her. Sometimes she's hard to reach for a day or two. She moves between a house in Sydney and one in Melbourne.

The behind the scenes police stuff doesn't surprise me.

Cheers. Joanne.

Do you have a contact for *AC* I believe I have some other material that may relate to her. Would she be prepared to speak to me?

I am gradually working through all that you sent. (As my wife will testify) I am progressing with *AJ* and this may be very promising.

There have been a few things going on behind the (police) scenes that concern me a bit that I'll discuss with you later.
