AJ was a teacher working at Muswellbrook back in the Mid 90's.
 She was a friend of **AJ** that may shed more light on this.
 Her maiden name was **AJ** but she may have divorced and remarried again.

I've just finished with Mike STANWELL.

AJ
 There are certainly a lot of casualties with this stuff.

Hi Peter,

I am not writing anything about church things until probably late in the week after next. I am having next week off - company accountant's orders because I have nearly 60 hours in RDOs ticking away - and Brian Lucas is out of the country until August 5. The lawyers won't let us run the story on him and his involvement with **NP3** until he's had a chance to comment. So we're holding everything on the Denham stuff, and what the police are doing in terms of any investigation of the McAlinden

defrocking, until Lucas comes back, and that gives you some free air.

REDACTED

Cheers. Joanne.

Hi Peter,

I've just checked on the website. If you google "father brian lucas" you will see "New job for Catholic Weekly columnist" dated April 7 2002. It has a head and shoulders shot of Lucas on it and it's a very

clear shot.

Cheers. Joanne.
