Subject Re: Catholic Church inquiry - (from Jaco)

G'day Jaco,

Friday the 13th - there's an omen... That's the only 'morning' I have free if it suits. Otherwise, afternoons on 12, 12, 13 are okay at this point.

It's timely actually. Have you seen the contents of the below link?

<http://www.theherald.com.au/news/local/news/general/inquiry-into-church-coverup-disgrace/2136525.aspx>

At least from next week, I will be taken 'off line' to avert being further smashed by other matters (i.e. incl. AHU's) so I hope to really make an impact on this.

Anyway, let me know if Friday is okay. I look forward to your visit.

Kindest regards,

Jeff LITTLE

Goodbye Jeff

Are you around next week Jeff?

I apologise that I have not been in a position to spend a bit of time with you to re the Catholic Church consultancy. My boss, John Kerlatec has just asked for an update on it, I explained that the last time we had an opportunity to get together you were getting smashed on the armed robberies investigation (when I was up there for the Watkins trial). Then I had forced annual leave yadda yadda yadda

Anyway it would be great if we could get together next week, work up the final approach to it so I can report by to my boss on the outcome. Can you let me know if there is a particular day that suits, it would be good if it could be in the morning, I'll head straight up from home (I live near Gosford)
