Yeah

I am not sure if I told you that Wayne HUMPHREY went to Raymond Terrace when I was on leave. Charlie HAGGETT let him into my office and they were searching when a senior public servant walked in on them and asked what they were doing. They told her they were looking for any statements or documents I might have concerning investigations into the Catholic Church. She told them it would probably be locked in my safe and suggested they wait until I get back.

The day I got back Wayne sent an E Mail to HAGGETT to 'direct' I hand over to Newcastle a file sent to me from the Minister's Office concerning alleged cover up in the church and any statements or other material I had in respect to that file. The author of the letter initiating that file was ~~BB~~ ~~AB~~ (sister) and related to ~~REDACTED~~ GOGERTY. Nothing to do directly with the other stuff. So I just sent the file and nothing else. Wayne is apparently trying to initiate an IA file against me for not sending the ~~AK~~ ~~AS~~ & STILLWELL statements at that time but they had nothing to do with the other file so he can go his hardest. I sent exactly what he directed - to the letter.
