Further to a previous Intelligence report

I 21949203

On the 30/12/03 Police approached POI 1 being a Catholic Priest then at Raymond Terrace. He had previously been at Lochinvar Presbytery where it had been alleged to Police that a number of Pornographaphic Male Homosexual Magazines were located. At the time Police were investigating numerous paedephelic offences against a fellow priest POI 2. When asked if he was aware of these magazines & videos POI 1 told police that he was the owner & had since destroyed them after having them returned by POI 2. He also indicated that he believed that POI 1 had owned similar material but never saw him with it. Although not a criminal offences the possession of these types of material by catholic priests would no doubt be considered unethical by their parish & church organisation.
