 phone call received meeting other phone call made

Rang BS and discussed my contact with CCFR. Asked to provide files so matters could be progressed. BS said he had sent a notification form in relation to the person JF was charged with last week. He said this persons name was Peter Gogarty.

Informed BS that we still needed to notify on UR76 and this matter involved a young person + grooming behaviour.

BS said to his knowledge there was a note on JF's file about approp. contact with ^{children} students + young people.

BS to organise transfer of files
