rang P. Fox to ask some questions about progress of appeal Process. He said as far as he was aware J.F. was being held at Silvanwater. No appeal could be lodged till after sentencing. (March 11)

DPP intend to approach JF's legal representatives and ask if the property matter could be included on Schedule 1. If they agree the case would not go to hearing and would be taken into account with the other matters if no agreement then the property matter was set down for hearing in April

AB may take out charges before sentence + these may be taken into
