Messrs. J. J. Coolahan,

Secretary Maitland Clergy Central Fund.

Dear Frank,

I understand you have taken over the M.C.F. Fund from Austin Hayes since my last contact, since then was forced to return to W.A. before Christmas for major surgery (multiple by-pass), as I wasn't covered medically in Ireland and would have had to pay in the region of £5,000 (i.e. over \$12,000); whereas was fully covered in W.A. by Medicare and H.B.F. Thank God, everything seems to have been successful.

As I've been moving around quite a bit my Bank manager here in Cahir has asked me to advise to have any Funds for my benefit be sent to my A/c. no. 40772005 in Bank of Ireland Cahir, Co. Tipperary, Rep. of Ireland.

It looks like I've missed a very cold and rather longer than usual Winter; indeed the Springtime at present isn't warming up much; shall be thinking of crossing over to Spain for next Winter.

Best wishes from the Easter Island
