Dear Denis,

Thanks for your letter of March 30, 1994. Your bank account number has been recorded at the Funds Office, and all future benefits will be directed to it.

I'm glad to hear you are in good form after such serious surgery last year — and that you were able to return to W. A. for it.

As you may know, The Sick and Retired Priests Fund and the MCCF were amalgamated last year, and I have taken over from Tom Brennan as well as from Austin Hayes.

Summer hasn't yet given way to autumn here, but the temperatures must start to drop soon.

With all good wishes,
Yours sincerely,
Frank Coolahan
