The Most Rev James McGuinness
Bishop of Nottingham
Bishop's House

Dear Bishop McGuinness,

A Father Denis McAlinden is at present in Skegness celebrating his Golden Jubilee of Priesthood. This is despite the fact that his faculties have been withdrawn since February 1993.

Denis is not an easy man to deal with. In all likelihood he will have made no contact with your office. My canonical advisor suggested to me that I put in writing what I have already said on the phone to Mgr Peter O'Dowd.

With every best wish,

Rev W Burston
Vicar General
