Jacque,

Re Job no 1017511.

I have now obtained a stmt from ^{UR4} in relation to the sexual assault of ^{AF} E11302712 relates.

I received the paperwork in relation to the job from you. I have now completed the job but the job was incorrectly allocated to another constable at Kings Cross, Rachel THOMPSON, instead of to me, Rachel MORRISON.

I have spoken to the case manager at kings cross who is unable to reallocate the job to me on COPS as Rachel THOMPSON has sent the job back to you.

Could you please update the description on the job and mention that the job should be allocated to me. Once I receive it. I will complete the job and sent it back to you.

I hope this makes sense. The statement is on the way back to you today. Call me on eagle 40050 if you have any problems.

Thanks

Rachel MORRISON
