

**SUN SETS ON MEMORABLE FUNDRAISER:** More than 140 people – including local couple Gabrielle Kenk and Daniel Fleming (pictured) – were treated to a spectacular preview ahead of the main show ‘Chocolate’ at Saturday night’s ‘Movie Under The Stars’ at Kingsdale Wines. The incredible sunset over Sooley Dam provided the perfect backdrop to the event organised by the BDCU Goulburn Hospital Fundraising Inc. At least \$3000 was raised from the evening, with proceeds going towards the purchase of a machine used to monitor the health of unborn babies. More in Wednesday’s paper.

# Racer hurt in fatal crash

**A** TEENAGE motorcycle racer from Queensland was killed and a rider from Oallen injured in a support race crash at the Superbike World Championship meet at Phillip Island on Saturday.

Organisers said Oscar McIntyre, 17, was

competing in the first round of the Superstock 600cc Championship.

The crash, which involved two other riders, occurred about 2pm on lap two of the scheduled 12-lap race.

The riders collided between turns two and three. The others involved were

Michael Lockhart, a Goulburn employed 17-year-old, and Luke Burgess.

Burgess was treated at the circuit’s medical centre and soon released while Lockhart was taken to hospital for observation with non-life-threatening injuries.

A medical team worked unsuccessfully

to revive McIntyre, who was pronounced dead at the scene.

The incident has shaken Lockhart and his parents, who were trackside to support their son in his first 600 Superstock series outing.
