

Preschool & Childcare Guide

St Mary's and St Luke's Rainbow Preschools

St Luke's and St Mary's Rainbow Preschools are places where children are nurtured, loved and treasured.

These Preschools provide highly trained and professional staff.

The interior of each Preschool is a truly homely environment with spaces to play, think and create.

The wonderful natural environment creates a place where children are able to be children – they can get dirty, play games, be loud, wonder, explore and pray.

Both Preschools are unique in Wagga Wagga, providing care that includes pastoral care and support to children and families.

St Mary's North Wagga Wagga and St Luke's South Wagga Wagga are only minutes from the CBD.

Wagga Wagga Regional Family Day Care

Wagga Wagga Regional Family Day Care (WWRFDC) provides a safe, secure and stimulating home environment for your children in the homes of highly trained Family Day Care Educators.

The approved Provider for WWRFDC is Wagga Wagga City Council and the service has been in operation for 37 years.

"WWRFDC offers personalised care for children up to the age of 12," Manager of WWRFDC, Kym Stewart said.

"The early years of development are crucial for children. WWRFDC Educators individually work with children to nurture, inspire and educate them to offer the best start in life."

"WWRFDC has provided care for our three children over the last 15 years. As our youngest prepares for kindergarten and we approach our final days with our beloved Educator, we would like to share our thoughts."

"All WWRFDC Educators we have ever known are what we believe an Educator should be – professional, flexible, generous, honest, unfailingly cheerful and enthusiastic, affectionate, firm, attentive to our child's emotional and developmental needs, always treating our children as if part of the Educator's family." – Parent testimonial

Community Kids Lake Albert Early Education Centre

A natural environment for children to thrive

Community Kids Lake Albert Early Education Centre believes in a higher standard of care for children in areas of education, health and safety.

The Centre caters to children aged six weeks to six years, has a Government-approved Preschool program with a bachelor-qualified teacher and offers a natural environment that includes a vegetable garden and animals, developing skills including responsibility, routine and patience.

Centre Director Belinda Bond explains, "I believe that it is our responsibility to provide children with a warm, happy and safe environment where there are plenty of opportunities to maximise their potential and develop future success in learning."

For more information or enrolments, please contact Lake Albert Early Education Centre on 6922 5788 or visit www.communitykids.com.au

Preschool & Childcare Guide

Wagga Wagga Goodstart Early Learning Centres

Children learn so quickly during the early years, that's why the children and families come first at the Wagga Wagga Goodstart Early Learning Centres.

With families as our primary partner, we can inspire a love of learning so that children go on to embrace literacy and numeracy – so vital to reaching their full potential. Our centres are committed to working with you to provide the ideal early learning environment for your child, both in the centre and at home. Our centres offer Long Day Care in order to help take the strain off working families, and are conveniently located on the way into the Wagga CBD.

Our eight Wagga Wagga centres give back and support the community and their families by participating in community fundraising events such as Australia's Biggest Morning Tea, and Pyjama Day. Our centre in Lake Albert Road is participating in the Relay for Life in October to raise money for charity and Goodstart in Morgan Street actively works with Kurrajong Early Intervention Services to provide support to children with additional needs.

Make sure your child gets a great start in life. With you and Goodstart.

For vacancy enquiries please call 1800 222 543 or visit goodstart.org.au

South West Regional Family Day Care

South West Regional Family Day Care Coordination Unit supports Educators in operating an Education and Care Service in a home-based environment.

Family Day Care has long been the preferred Child Care option.

Our Educators work in partnerships with families and their children to provide an environment that promotes a sense of belonging, the opportunity to explore, be challenged and become confident secure learners.

Family Day Care children experience all of this in a small group environment, where children are still able to go on excursions and be part of the community as part of their care and education plan.

South West Regional Family Day Care would like to introduce their latest Family Day Care team member, Stephanie White (pictured above).

Stephanie's home-based child care service is located in Wagga and currently has vacancies. If you would like more information please ring 02 6924 1017.

Hampden Bridge Child Care Centre

Taking enrolments right now for three to five-year-olds, Hampden Bridge Child Care Centre is located just five minutes from the CBD in an easy-to-access location.

Hampden Bridge Child Care Centre has a unique riverside setting at 2 Galing Place, Wiradjuri, and features a lovely outdoor play area where children can explore a safe natural environment, as well as a native indigenous and learning garden.

Open from 7.30am to 5.30pm Monday to Friday, Hampden Bridge Child Care Centre runs a preschool program and has caring staff tuned in to your child's needs. Meals include toast for breakfast, a cooked lunch in accordance with Hampden Bridge Child Care Centre's healthy eating plan, and fresh fruit for afternoon tea.

Parents considering enrolling their children at Hampden Bridge Child Care Centre can come to see what the centre has to offer at its Open Day, to be held on Saturday, June 22 from 11am to 1pm. Phone 6921 2642 for more information.
