Dear Brian,

Re: Child Sexual Assault Seminar

Greetings! The special seminar for Priests that we were planning in relation to the above topic seemed to be ready to go. The speakers and venue appeared to be set and then it was realised that the date chosen was too close to the special function for Cardinal Freeman's 80th Birthday get-together. There is a need, therefore, for us to make new arrangements.

The monthly notice to the Sydney Priests will not be going out until the end of November 1987. The week of the 7th - 11th December is out because of the Diocesan Retreat. Maybe the week after is a little close to Christmas. What do you think? Should we pick a date early in the New Year?

I thought we ought to meet to discuss these matters. Could you possibly come over to Mortlake on Thursday, 5th November 1987, at 10.00 am for a short meeting? Thanks!

Kindest regards.

Yours sincerely,

Signed

Rev. J. Usher
