

Tree team leaves your garden tidy

GARRY Livingstone Tree Services has been locally owned and servicing the Orange area for more than 25 years.

The experienced team provides the highest level of service and reliability and can tackle both residential and large scale tree maintenance work.

Equipment includes cherry pickers, stump grinders, wood chippers, bobcats, and trucks and each job is always tailored to your needs.

All work is carried out in the most efficient way possible, and with the minimum amount of disruption to the surrounding areas.

The team pride themselves on leaving a clean and tidy job site which is another reason why they are such a highly recommended tree business.

If you want some extra space in your garden or property, have a problem tree that needs to be removed or maintained, call Garry Livingstone Tree Services today for an obligation free quote (ph. 0419 697 074).

GREEN TEAM: Andrew Marsh cuts down a tree with the help of Steven Neller and Robert Marsh.

Smashing records

RECORDS were smashed at the St Mary's Catholic Primary School swimming carnival on Wednesday.

All students had the opportunity to participate in competitive racing or novelty events.

Teacher Carolyn Wait said five school records were smashed during the day's competition.

"Imogen Fitzalan broke the senior 100m freestyle record and a record was broken in the nine-year-old boys 50m freestyle by Dylan Crisp," she said.

"In junior boys 50m backstroke Hugh Thornhill [broke records] and he also broke junior 50m breaststroke."

Rory Thornhill broke senior boys 50m breaststroke.

The winning house for the day was Shannon.

Age champions on the day were 12-year-olds Paige Alexander and Rory Thornhill, 11-year-olds Imogen Fitzalan and Charles Kemp, 10-year-olds Ellie Mooney and Hugh Thornhill, nine-year-olds Abigail Sio and Dylan Crisp and eight-year-olds Lily Carmody and Thomas Pell.

Forty students will represent the school at the southern region carnival February 26.
