

James Sheahan Catholic High School

2013 HSC High Achievers

Congratulations to all our students from the class of 2013 on their wonderful HSC results. The incredible breadth and depth of talent demonstrated in the results of our students is testament to the commitment they have to their studies, the dedication of their teachers and the support of their families.

Our students and staff have once again done us proud, upholding our reputation for excellence in all aspects of School life.

With our mission statement reminding us that we provide opportunities in excellence, growth and success in a caring environment, we believe we have continued to fulfil that excellence by focusing on the whole child in all aspects of school life and that we have achieved outstanding success. In our academic outcomes, in the huge variety of activities we offer in our co-curricular program and in a wide range of community service projects, we have maintained a warm, friendly school environment where the care and wellbeing of our students is utmost.

The highlight of 2013 is the joy of seeing individuals doing well, punching above their weight and getting noticed at the highest level whether it be in academics, the arts, sport or community service. We certainly do enjoy a very good school.

Congratulations to Makaela Bowman and Madeleine Whalan for achieving a Premier's Award for All-round Excellence in the HSC.

Our school Dux for 2013 is Makaela Bowman, who received an ATAR of 99.45. She also achieved 6th in the state for Studies of Religion II. Congratulations also to Madeleine Whalan on receiving an ATAR of 99.1. These results are so well deserved and reflect their consistent attitude and application to all facets of their school work.

To all our HSC students of 2013, our warm congratulations on your success. We are proud of you.

Mark Pauschmann
Principal

Preparing students for a changing world

			
Timothy Abraham Mathematics	Vladka Bartyzal Geography	McKenzie Battye-Smith Ancient History	Makaela Bowman Chemistry, English Advanced, English Ext 1, Mathematics, Physics, Studies of Religion II
