Helping students reach their potential

DANCETheatre of Orange is conveniently located at 162 Summer Street. The inviting studio has a fully-sprung floor, air conditioning, private change room and separate waiting area, as well as a new second studio.

The school offers classical ballet, modern and tap dancing from three years of age and focuses on the individual needs of each student.

New in 2014 is Toddler Song and Dance, an innovative class for students from two years of age, where parents join their children to delight in their first dance experience.

We are excited to introduce Pilates classes, with lessons available for adults and senior students.

The popular adult classes will

continue, now with evening lessons offered. The dedicated teachers at Dance Theatre of Orange provide the same friendly and nurturing environment that has been their trademark for the past 14 years.

Their aim is to help each child work to their full dance potential by being taught to exam standard, with an emphasis on correct technique and safe dance practise.

Exams are held annually for students who wish to participate, with the Royal Academy of Dance (ballet) and Imperial Society of Teachers of Dancing (modern and tap), with students achieving excellent exam results.

Each child is invited to perform in the annual concert, where choreography, music choice and effective, affordable costuming are kept age-appropriate.

Come along to the enrolment day on Saturday, January 18, between 10am and noon at the studio, 162 Summer Street, above Best & Less.

Love of performing arts lasts a lifetime

ON STAGE: Colour City dancers perform.

COLOUR City Dance endeavours to develop children's lifelong love of dance and the performing arts.

All of our teachers are passionate about dance and teaching children, and hope to inspire and encourage this passion in their students.

We offer dance classes in all genres and our ballet is based on the Royal Academy of Dance Syllabus.

The highlight for 2013 was our production of Cinderella, which was a wonderful opportunity for our students to perform on stage in front of family and friends.

We look forward to another great year of classes and performances in 2014 and meeting some new faces at our enrolment days in January.

Enrolment days will be held at the studio at Orange Cultural Centre, 22 Sale Street on Thursday, January 16 from 4pm to 6pm, Saturday, January 18 from 10am to noon and Thursday, January 23 from 4pm to 6pm.

Party and play and be healthy

Zumba® Kids Jr classes are a dance 'n' play party for lil' feet where pint-sized party animals get silly, dream big and begin their journey to a healthy future.

This program is where kids aged 4 to 6 just let loose and be themselves - little bundles of natural energy that are endlessly curious about new sounds and experiences! Here they can socialise, move to age-appropriate music and play games with other kids.

The Zumba® Kids program is the ultimate dance-fitness party for young Zumba fans ages 7 to 11, where they can play it loud and rock with friends to their own rules! This program features age-appropriate music and moves that get kids movin' to the beat.

It's all about feeling fearless on the dance floor, reinforcing the idea that it's okay to just be yourself and dance like no one's watching.

With no hidden costs for costumes, special shoes etc parents love the affordability. With easy parking the studio is conveniently located in the CBD, rear of 129 Kite Street, with access via McNamara Lane.
