Celebrating 133 years of education

THE Holy Trinity School is celebrating 50 years on the current site and 133 years of Catholic education in Inverell this year.

A weekend of family fun and celebration is planned for Saturday, October 19 and Sunday, October 20.

On Saturday the annual Holy Trinity Race Day promises to be a great family day. Sunday will commence with a special Parish Mass in the school hall at 10am, followed by a DVD presentation, displays, memorabilia, school tours and student entertainment.

Everyone is welcome, especially past and present

students and staff.

Much has been achieved since the Sisters of St Joseph opened the first Catholic school in Inverell in 1880. The jubilee acknowledges the contribution of the Sisters of Mercy, who ran the Sacred Heart Infants School and St Mary's Primary School, and the De La Salle Brothers who opened Holy Trinity on its site in Moore St in 1963.

Today, Holy Trinity offers Kindergarten to Year 10, the very latest technology and specialist facilities, as well as a warm and caring learning environment firmly built on Catholic values.

JUBILEE: The Holy Trinity School, Inverell, is celebrating in October.

Building programs since 2011 have provided in excess of \$8 million worth of improvements, with the school about to build a primary industry training facility

to support the very successful agriculture program. Holy Trinity School has limited places in some year groups for 2014 with Kindergarten and Year 7

closing soon.

To obtain an enrolment package, contact the school on 6722 4066 or by email info@holytrinity.nsw.edu.au
