## Showgirl launches DanceWorks by Amy Evison

IN 2002 Amy Evison was one of Julieanne's School of Dance's first students. She is excited to be returning to the school as principal and looks forward to working with Julieanne at a professional level under the new title, DanceWorks by Amy Evison. Amy, who is also the 2013 Nowra Showgirl, returns with a broad range of international experience which she is eager to share with the students at DanceWorks and offers our young local dancers greater opportunities in the performing arts.

Amy graduated from the Victorian College of the Arts with a Bachelor of Dance and has recently completed a Certificate III in Community Recreation and achieved her Associate Teachers Certificate with the Australian Teachers of Dancing Ltd.

She has professional overseas dance experience with Royal Caribbean International and Ajkun Ballet Theatre in New York City. Amy won two nominations from the Victorian Musical Theatre Guild Awards for her performance as Victoria, the white cat in Cats, The Musical with Altona City Theatre, Melbourne.

Amy has choreographed as an external tutor for Wollongong High School of the Performing Arts for its Junior Ballet Company and Senior Contemporary Company.

She is proud to say her choreography was selected and showcased at last year's State Dance Festival. Amy has also enjoyed mentoring and instructing the students of the Southern Stars Ballet Ensemble for the past two years.

Amy, along with her friends and family, spent the Christmas break renovating the North Street premises. The transformation will provide a fresh, new and funky studio where teachers and students can be creative and find comfort in knowing they have their own space to call home. DanceWorks offers Classical Ballet, Tap, Jazz, Hip Hop (coming term 2), Contemporary/Modern Expressive, Stretch and Strength, Performance Troupes and Private Lessons.

DanceWorks caters for preschool classes, open recreational classes and encourages ATOD Syllabus classes to train for examination work. DanceWorks endeavours to inspire and provide opportunities for members of the local dance community to reach their full artistic potential.
