

Relay For Life

EVENT PROGRAM
Saturday 18th and
Sunday 19th October
Baddeley Park Cessnock
A community event to fight cancer

What is Relay?

Relay For Life is an overnight, community event where teams participate in a relay-style walk or run to raise funds for Cancer Council. The event brings the whole community together for a night of fun, entertainment, celebration and remembrance. Each Relay For Life event is organised by a local volunteer organising committee on behalf of Cancer Council.

Celebrate - Local survivors and carers are invited to walk the first lap of the track while the rest of us cheer them on.

Remember - The Candlelight Ceremony of HOPE is held at dusk to Remember those lost to cancer. Candles are placed in paper bags lovingly inscribed with messages from family and friends. These candles are placed around the track to encourage us all to remember those who lost the fight and be inspired to keep going.
