Why travel to Paris, Milan, Rome or Venice when we have Haute Couture (high fashion) right here?

Welcome to the first seasonal edition of the Moree Haute Couture showcasing Moree's Autumn Collections. The Moree Champion together with local businesses will bring you this seasons must have items, look and style trends to keep you from committing a fashion faux pas.

The Look - Beauty Matters How to master the feline flick...

Timeless, face-flattering and beauty staple, applying eyeliner is a need-to-know! Up the ante for 2014 and add some new liner techniques to your arsenal.

1. Make sure you're using the right brush. The thinner the better! We love Precision Angle Brush 5a. Load both sides of the brush evenly, working any excess onto the under of the lid for maximum control of colour.
2. Starting with the middle of the lid, dab (don't blend) along the upper lash line (and lower too if desired).
3. Follow the angle of the lower lash line, slightly lift upwards to get the flick. Remember: the longer the line, the sexier the look!
