The Management and Staff of LA & JC Riggs would like to congratulate Heath Riggs on playing in his 200th Game for the Moree Rugby Union Club last weekend.

He has become only the second player to pass the 200 game mark for Moree. Heath started playing with the Bulls in the Under 16's back in 2001. In his 14th season, Heath has progressed through the Junior ranks, playing 35 games, before embarking on first grade career of 165 games thus far. Heath has represented both Central North and NSW Country at both junior and senior levels over a number of years. His record includes eight grand final appearances for two junior and four first grade premierships.

*Congratulations Heath on this milestone and all the best for many more games for the Moree Bulls.*

# Fun season for juniors

By Stuart Gall, president

THE 2014 season has been my first as president and it has been a pleasure working with the committee, coaches, parents and most of all, the kids.

The year started with the under 12s attending the TAS carnival in Armidale which is one of the largest junior rugby carnivals in the country.

It was attended by teams from Sydney, Brisbane, Toowoomba and regional NSW, and many had been training several days a week for months.

Our boys made a good show of themselves on the field but most of all represented their town and club extremely well off the field.

A big thanks to the coaches and John and Sarah Greer for organizing the trip.

The first game of the season in early May at Walcha was a big shock to the system for the parents as well as the kids with sleet, wind and a top of four degrees, making playing rugby tough.

Thanks to Steve and Bec Haddad for supplying a large tent for everyone to shelter under between games.

The highlight of the season was our carnival held on June 15.

I would like to thank the Moree Plains Shire Council staff who helped make the last minute change from Weebolla Oval to Greenbah smooth and easy.

Also thanks to the senior club for their support with referees on the day.

From all reports over 800 children and adults had a great day for which I must thank the committee and all the parents of the club who worked together to help

Sarah make the day a success.

The rest of the season has been a lot of fun, especially for some of the under eights boys who were lucky enough to be team mascots for first grade on Saturdays thanks to Recko and the team.

Thanks must also go to the senior club for allowing the under 12s to play their counterparts from Inverell between first and second grade.

The support from the crowd was great and thanks to Josh and Kingy for taking the boys into the sheds after the game to sing the club victory song with second grade. They will remember that for some time to come.

A final thanks must go to all the coaches and the committee.

Without these people who give up their time for our kids we would not have such a great club.

Under sixes

BACK: Sophie Bettington, Alexandra Warby and Ryli Ireland

*The President,  
Committee &  
Members would  
like to wish the  
2nd Grade Good  
Luck on Saturday  
in the Major Semi  
Finals at Narrabri.*
