Successful year for Moree rugby says Bulls' president

By Simon Dunlop, president

THE 2014 season has so far been another very successful year for the Moree Rugby Club.

It was always going to be difficult to follow up the three premierships of last year.

However, with first grade finishing the regular season in third position, and minor premiers in both second grade and under 18s, we are well positioned to match last year's efforts.

Firstly, I must thank and acknowledge Paul Cooke who was forced to resign as president earlier this season after two and a half years in the job.

He has done an enormous amount of work for the club and it was a shame to lose him.

The first grade side has faced an uphill battle to defend last season's premiership.

The first round draw had us playing the top four teams away from home and the change in competition structure has effectively meant 10 weeks of semi-final football.

After starting the second round with one of the best wins by the club in a few years at Pirates, we followed it up with two of the poorest performances of the year at home against Gunnedah and Narrabri.

Despite a few slip-ups, first grade has finished strongly and go into the minor semi final this weekend against Gunnedah full of confidence.

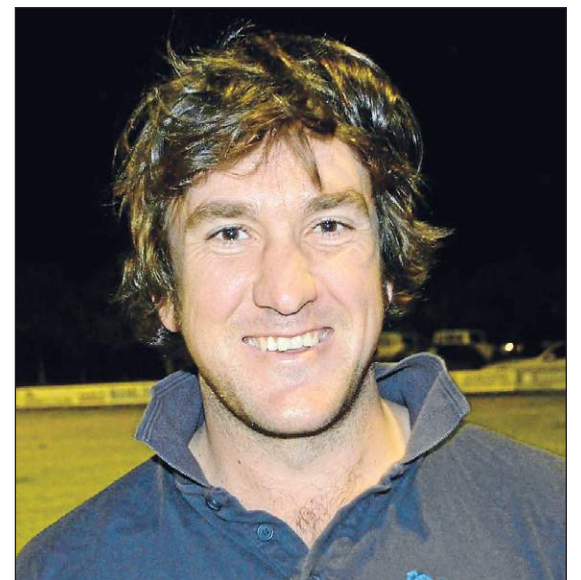

Good luck to "Recko", "Bear" and the boys.

The second grade Moree side has once again been the team to beat all year.

After constantly losing key players to first grade, Paul King and Josh Connell have done an excellent job with the boys.

They have only lost two games on the way to the minor premiership and they have this weekend off, before taking on Pirates in the major semi at Narrabri.

The under 18s have again had an excellent season.

Simon Dunlop

In the three seasons Kylie Dawson has been involved with the Moree club, her boys have only lost three games.

There are no standout players; the boys play with pride and as a team and it has been great to have them involved with our club.

Congratulations on the minor premiership and good luck in your major semi against Pirates this weekend.

Finally, I would like to thank all our sponsors.

In particular the new sponsors who came on board at the beginning of this season at the jersey auction.

Without your support, our club would not be in the position it is today.

I look forward to seeing everyone at Weebolla on Saturday to cheer on the mighty Bulls as we charge toward another grand final.

2014 Rugby Union Semi Finals

AW1470655

Long, tough season for first grade

By Damien Kelly, first grade coach

THIS year has seen the Moree Bulls once again field three competitive sides that have once again all made the semi-finals.

Our under 18s have shown how much they enjoy playing under the Moree banner and Kylie Dawson must be congratulated on another successful season.

Our second grade side has again been crowned minor premiers and must go into the finals series as warm favourites.

I would ask that all players now realise what a fortunate position you are in, and that everyone make sure you make it to training for the remainder of the year.

Josh and Kingy have again had an up and down season with injuries and availability (and first grade taking a lot of players that would normally be in that squad).

It would have to be the most difficult position in the club coaching second grade and the boys must be very happy with how the season has panned out.

Moving on to first grade, the season has been a long one with the new two tiered competition coming into the second half of the draw - a first for myself and Peter, and provided it owns challenges.

With semi-final football intensity each week, we have had to rethink how we set about training with the injury toll starting to mount and guys unavailable due to work and social commitments overseas.

This has been a huge challenge and one we have scraped through with the help of all playing members at Weebolla.

2014 has also seen some new faces at Moree.

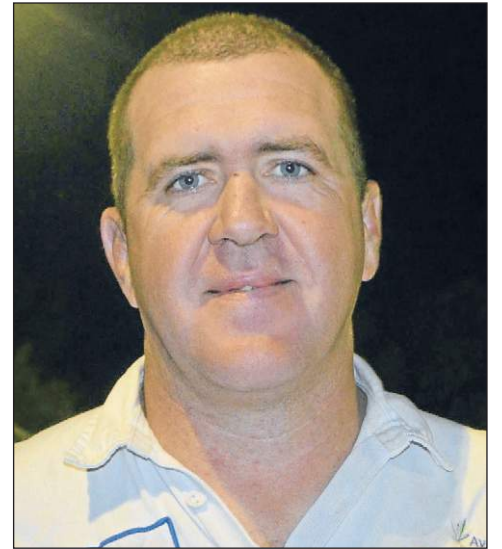

The likes of Ciaran O'Gorman, Rob Selusse and James Wilkinson all provided a

bit of much needed extra spark which has seen the first grade side able to make the semi-finals.

The old boys have all once again contributed with Mathew Wannan, John Adams, Daniel Taunton all lacing up the boots for another run around, and our captain Ben Colley, who has once again showed why he is one of the best footballers running around in the bush, leading from the front and will more than likely be the key to any success Moree has from here on.

Overall 2014 has not been as successful as 2013 thus far with Moree finishing third, but with a big couple of wins in the next few weeks, hopefully the Bulls can once again collect the silverware we have set out to defend.

I would like to thank all the players for your efforts this year and good luck over the coming weeks.

Damien Kelly

Moree and Gunnedah to put it all on the line in minor semi-final

DO or die, all or nothing and no more tomorrows.

They are all sporting clichés generally used at this time of the year, and when Moree and Gunnedah run out onto Weebolla Oval on Saturday afternoon they will have one thing on their mind – victory.

For the victor, an appointment with either Pirates or Narrabri awaits in a fortnight.

Gunnedah will have fond memories of the last time they headed north when they hit the ground running and took an unlikely 20-0 lead to the break.

On that occasion the Bulls fumbled their way through the opening half.

The Devils then withstood a second-half fight back from the Bulls to register a deserved 33-21 victory, but the Bulls returned the favour with a comprehensive 48-17 win two weeks ago.

Bulls coach, Damien Kelly, felt that particular performance was a sign his side had awoken from their mid-season slumber and turned the corner.

“It was a much better performance,” Kelly said.

“But we’re running out of time to get it right; there are no more tomorrows.

“It’s the last game at Moree for a lot of the boys – myself included – so we won’t be together again after this year. It’s our last chance to achieve something as a group.”

To defend their title they’ll have to do it the hard way.

Gunnedah’s strength lies in their forwards and Kelly said the Bulls would look to adopt a similar game plan to the one which proved successful 14 days ago.

Devils co-coach Nik Hannaford said with an entire season depending on the outcome of Saturday’s match-up, the importance could not be understated.

“We need this win,” he said.

“It’s all or nothing.”

Last weekend the Devils found another gear to churn out a 36-31 away victory against the second-placed Pirates.

“The Pirates’ win was a big

confidence-booster,” Hannaford said. “It was a big improvement on the week before but still not without its faults.”

Kelly said the game would be won in the middle with Gunnedah fielding a strong forward pack.

However, they will go into the match missing scrumhalf Dave Heyman who is out indefinitely with a skull fracture.

“They’ve got some big boys up front so we’ll need to move them around a bit – it worked for us last time down there so we’ll look to do the same, but we’ve got to be careful about it,” Kelly said.

“We need to take care of the rucks at the breakdown – that’s where the game will be won.”

Kelly admitted he was looking forward to having some time away from the rugby field whenever the Bulls’ season was to finish.

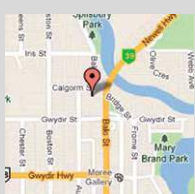

“I’m looking forward to a break because I didn’t think I’d be playing again this season, but here we are.”

Sam Copeman takes on the Narrabri defence earlier this season.

Coach amazed by development of squad

By Josh Connell, coach

WELL how does one sum up a season like this.

Firstly (and there are going to be a few of these) to my wife Ange, Annie, Jock and Hattie thank you for giving up your Tuesday and Thursday nights as well as Saturdays over the past six months so I could pursue my love of rugby. I appreciate it hasn't been the easiest at times but we have made it work, and I would not have been able to do it without your support.

To our sponsors, the club and its supporters, thank you for your efforts and encouragement throughout the year. I am confident without them we would not be where we are today.

To the club presidents, Paul and Simon, you have done a fantastic job in trying circumstances and on behalf of the second grade squad I would like to thank you both for your efforts. To the other coaches, to say I have thoroughly enjoyed the last two years coaching alongside you would be an understatement. So to Peter "Bear" Copeman and Damien "Wrecko" Kelly in first grade

and Kylie Dawson and the 18s and my counterpart in second grade Paul "Kinky" King, thank you as well. The large amount of work you do around the club, both in a coaching and committee member capacity, often goes unnoticed and it is fair to say we are in a far better position as a result of your efforts.

To Ben and the members of the first grade side what a great season which I am sure is only going to get better. The new structure of this competition has been a learning curve for all but I'm sure you will return triumphant from your finals campaign.

To our 18s, although we haven't seen you much, you continue to impress and have once again created an opportunity. With the Minor Premiership secured, continued hard work will ensure you achieve the outcome you deserve.

To my second grade side, what can I say? This season has been one full of surprise and uncertainty, but I am pleased to say that at the end of competition rounds we find ourselves holding the Minor Premiership (which is even better given the Narrabri guys have found and returned the trophy) with a record for the

normal season of 16 wins and two losses. Over the season we have used just over 40 players and although some weeks were tight I am pleased to say we come into the final rounds at full strength and with a very positive outlook on our chances.

Over the past 18 weeks we have seen some extraordinary efforts and I have been amazed in the development of all of you, not only as individuals but also as a team. The way you have bonded and continue to be patient and never give up speaks volumes of what you will be capable of in the finals. Particular mention must go to Kyle O'Connor who has continued to build on his form from last year, making him not only one of the form players of our squad, but also the competition. Also Luther Williams who continues to grow each game, and seems capable of a bigger hit every week. With a couple of starts in first grade I am confident you will only go onto better things. And to Will Hiscox, we never seem to be able to pick you in your desired position and recognise your ambition and ability at breakaway, but your ability to play both forwards and backs and your will-

ingness to do so when requested has often created the keystone for this side and is something you should be incredibly proud of.

The week in, week out performance of Ben Day, Byron Birch, Fraser Brown, Sam Kelly, Hayden Wiblen, Ben Legg, Nathan Porter and Alexander Bailey have built the foundation of this side. The new comers or returning players in the likes of Brendon Montgomery, Dean Cooke, Angus Smith, Jarrod Snook, Zac Mather, Joe de Dassel, Jacob Cutcliffe and Matthew Urquhart have brought new life and an added spark to our efforts.

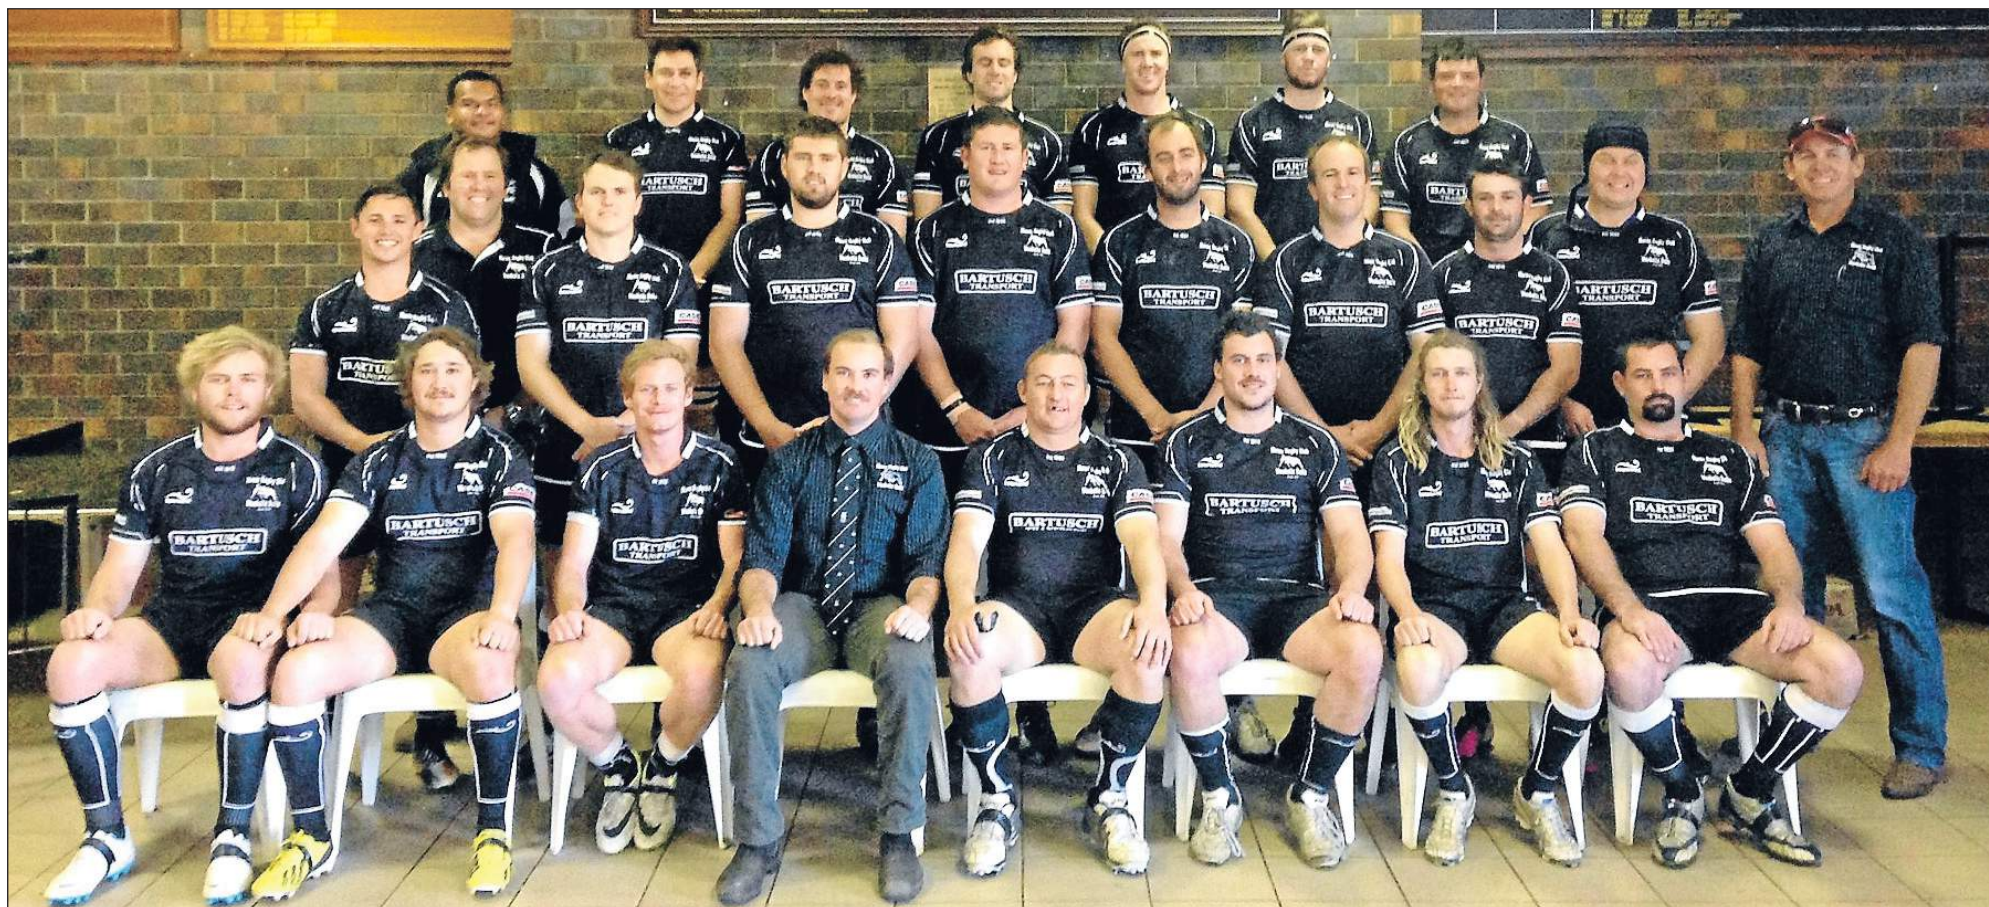

And last but by no means least, how can I forget the 'old men' or 'generals' of the squad; Mick Grant, Nathan Holland, Sam Copeman, Ben Jackman and Sylvester Joseph, what can I say. Your support, relief, leadership and guidance to both Paul and me over the past year has made this job so much easier. Thank you.

To the squad as a whole, you have a simple job to do - stay patient, control the ball, defend the line and be patient and it will all come together. You have shown your ability to do this over the past sea-

Josh Connell

son and I am confident it will hold you in good stead throughout the finals. With all three grades in the finals I am very confident the Weebolla Bulls are more than capable of bringing home three premierships again this year and believe we can all feed off each other. I believe every member of this club has something to be proud of and can hold their heads high given the effort they have put in. With continued effort and focus I am sure you will all reap the rewards of your efforts and wish not only you but all those participating in the finals all the best for the coming campaign.

Juniors to meet nemesis in Moree

By Kylie Dawson, coach

THE 2014 season has been another successful year for the under 18s, securing the minor premiership.

The team has had to work extremely hard to build around a new set of players and combinations, and has steadily progressed throughout the year overcoming injuries along the way.

We have six players returning from last year who have stepped up to lead the side this year.

Pirates have been our nemesis all year and despite not losing a game to them have pushed the side to play its best rugby to beat the well drilled side.

It is a fairly even match-up across the park and we are very aware of their potential to score points.

The key to beating Pirates is at the breakdown. We need to be active there and each player needs to play an effective role to shut their opposing number down.

Having played the team three times this year, we are familiar with their game style

and have been working to shut their opportunities down, especially in the middle of the park through their forwards.

We go into the game with our centre pairing out, however local boy Duncan Woods will be moving from number eight to 12 to add a new dimension to our back line. Duncan is a hard-hitting, elusive ball runner who gains excellent ground with ball in-hand so will be one to watch.

This game sees the return of our captain James Readford who has been out with injury for the last month. James will add aggression and direction at the breakdown and his leadership qualities will be appreciated by the boys on the paddock.

War horse Adam Duncan, playing in his final year, will need to be strong across the paddock, especially shutting down the 10 channel where the Pirates' forwards like to push. Adam's job has become a lot easier with the return of James.

Our front three will need to work especially hard against a very strong forward pack. Mitchell Parker and Josh Strange have been exceptionally strong all year and are

capably aided by Mitchell Clarke, Keagan Size and Ben Copeland. Our forward pack is extremely mobile and their agility and strength allow us to cover the field a lot quicker and more effectively than a lot of other sides.

The key to the game is to get to the outside backs who are capably lead by Dylan Chown who is the leading try-scorer and point scorer for the zone and Sinclair George.

These two boys have forged a very strong combination this year and their directional play is outstanding given their age. They are the linchpin to capitalising on the solid work of the forwards. Their combination has scored and set up some pretty exceptional passages of rugby this year and is exciting to watch.

Pirates have a very strong back line who can score points very quickly so the boys need to be directing our backs to counteract this.

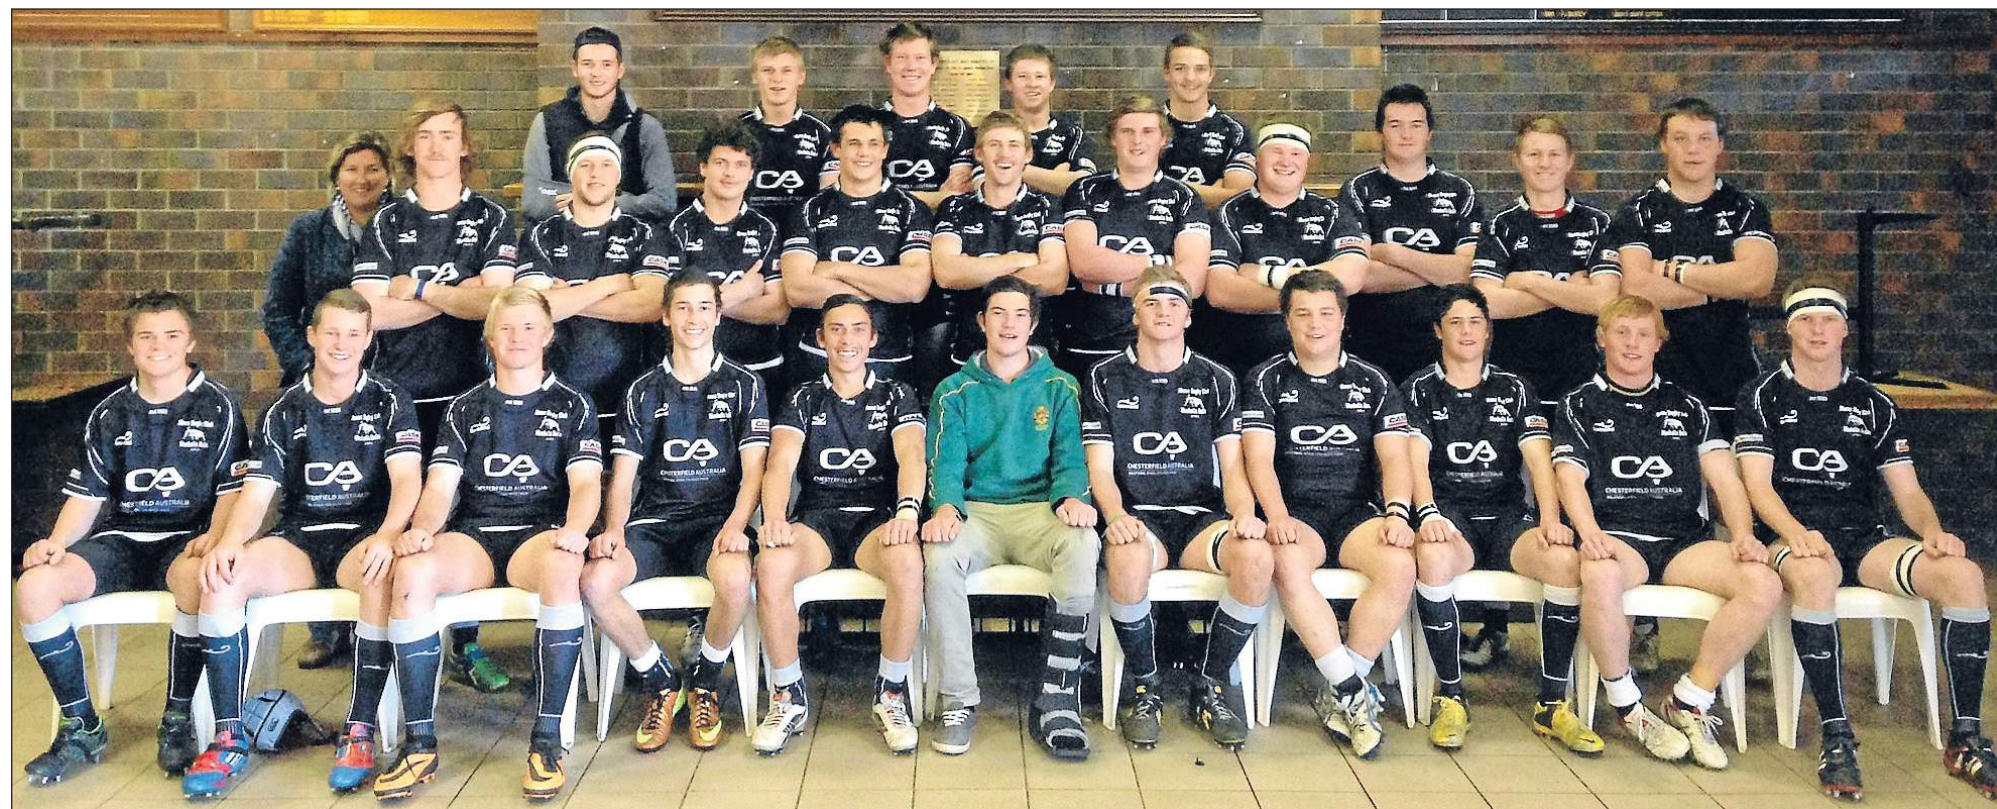

Our set play needs to be tight and we need to punish any opportunity we get in this area. Our line outs have been a definite

Kylie Dawson

strength this year. Adam Duncan and Tom Russ have pressured every team and won a lot of ball. These two need to be in the zone in this area to help dominate the forwards on Saturday.

This game will come down to who wants it the most and who can win the battle of the forwards in the first 10 minutes. This is the crucial period of ascendancy and will dictate the flow of the game.

Under 18s

Front row: Zac Barrett, Connor Size, Cameron Thorne, Toby Knight, Jeremy Fernando (vc) James Readford (captain), Tom Russ (vc), Josh Strange, Sinclair George, Angus Mactavish, Tim Mitchell
Middle row: Kylie Dawson, Angus Cooper, Adam Duncan, Brad Tudgey, Duncan Woods, Sam Brown, Angus Thompson, Keagan Size, Matthew Primmer, Luke Brazier, Mitchell Parker
Back row: Nick Bacon, Dylan Chown, Angus Thorne, Mitchell Clarke, Jeremy Heiken
Absent: Ben Copeland, Will Kelly, Joe Ferris, Nial Blewitt
