

Southern Stars 2014

#webelieve2014

Southern Stars brings students, teachers, schools and their communities together in one of the most eagerly anticipated events on the Illawarra and South East Region's calendar. It is a unique opportunity for students who attend NSW public schools and we gratefully acknowledge the dedication, commitment and creativity of the teachers and staff who make this wonderful event happen.

Congratulations to the students and staff of the schools who have made Southern Stars such a success!
